

Business HR Advice

on 0800 CHAMBER (0800 24 26 23)

We are pleased to announce a new advice service for our members, which you can share.

As a manager or business owner you will inevitably face staff issues at some stage in your career – be it recruitment, induction, disciplinary, performance improvement, or another staff related issue. Getting it wrong can have a huge impact on your business.

Whether you employ one person or 100, the same law applies.

Membership of your Chamber gives you access to Business HR Advice:

- Free phone support (0800 CHAMBER) from a team of experienced Human Resource Professionals.
- A selection of free resources including essential documents such as employment agreements, forms and processes.
- An extensive, legally compliant document library to enable you to manage staff related issues in-house.

Call 0800 CHAMBER (0800 24 26 23)
for quality HR phone support.
